# AUDIT & ASSURANCE SERVICES

During the financial audit, our emphasis shall be on the evaluation of the systems, procedures and practices from which the data is being generated, the quality, security, accessibility, reliability, accuracy, completeness and authenticity of the data and its relevance, timely availability and utility to management.

We shall interpret the data to evaluate the financial aspect of the activities carried out and compare the performance/efficiency achieved by the rules, policies, practices, procedures and guidelines set as benchmark/standard.

- External Audit of Financial Statements
- Review of Financial Statements
- Internal Audit
- Report on Internal Controls
- Assurance services related to NGOs
- Performance Audit
- Cost Audit
